

Open Classrooms Thursday 21st February

Many thanks to the School Association for their suggestion of a Welcome Picnic. This is scheduled for next Thursday, 21st February - 4:00pm - 7:00pm.

This year we will be implementing 'Open Classrooms' in lieu of teacher information sessions. This will be an opportunity to visit classroom in a more informal setting with your child. Each class teacher will be in their classrooms for 45mins at times listed below. Teachers will also spend some time at the picnic and will be available for conversations during that time.

Being active as a family

Being active together is a great way for families to have fun. Children need plenty of movement to grow and develop:

- Strong muscles and bones
- Movement skills
- Social skills

The amount of physical activity recommended is:

0 - 1 years	2 - 5 years	5 - 12 years
Floor play each day	3 hours each day	1 hour each day

Tips to get active

- Plan a regular time to be active together. Walk the dog or do a fitness DVD together.
- Fit activity into your family's routine. Instead of driving right to the school gate, park a distance away and enjoy a walk in the morning or afternoon.
- Make sure that rainy days are not always inactive days. Build a cubby, or have a dance competition in the lounge room or go to the pool.
- Be a good role model. If an active lifestyle is part of your life, you're much more likely to pass on good habits to your children.
- Explore places to be active like national parks, bushwalks, bike trails, beaches, local playgrounds and parks.
